Statement

The Muslim Religious Union in the Republic of Poland expresses its deep regret and concern regarding the military escalation in some Arab countries and its serious consequences, which threaten security, stability, and peace in the Arab region and the whole world.

We strongly condemn the Islamic Republic of Iran's targeting of the unity and territorial integrity of Arab states and its violation of their sovereignty. We affirm our full solidarity with the affected Arab countries, including the Kingdom of Saudi Arabia, the State of Qatar, the United Arab Emirates, the State of Kuwait, the Kingdom of Bahrain, the Sultanate of Oman, and the Hashemite Kingdom of Jordan.

We call upon all Arab and Islamic countries and the international community to take immediate action to halt the military escalation and prioritize dialogue and diplomacy to prevent the expansion of the conflict and the bloodshed, especially during this blessed month of Ramadan.

We pray to Allah Almighty to grant continued security, stability, and peace to all Arab and Islamic countries and to the entire world.
